

EXECUTIVE APPOINTMENT

DR. EDSON BADARAI
GMB CHIEF EXECUTIVE OFFICER

The Board of Directors of Grain Marketing Board, with the approval of His Excellency The President, Dr. Emmerson Dambudzo Mnangagwa, has appointed Dr. Edson Badarai as GMB Chief Executive Officer effective 15 May 2023. This was done in terms of the Public Entities Corporate Governance Act [Chapter 10:31].

Dr. E. Badarai has 18 years of leadership experience, with focus on strategic planning, business turnaround and transformation, performance management, monitoring and evaluation, financial management, work culture transformation, public administration and public sector reforms.

His experience and exposure covers various sectors of economy, having worked in the manufacturing sector, mining sector, commodities trading sector, fast foods, Central Government, State Owned Enterprises and Parastatals; an exposure that blends both private sector and public sector.

Dr. Edson Badarai holds a PhD in Business Administration from Free State University (South Africa), a Master of Science Degree in Strategic Management (Chinhoyi University of Technology) and a Bachelor of Commerce (Honours) Degree in Accounting (NUST). The main focus of his PhD was Transformational Leadership and Organizational Performance; while at Master's Degree level, his research was on Innovation and Corporate Performance.

The GMB Board, Management and Staff wish him success in this new role.

For any clarification, the public can contact the GMB Corporate Communications Department through the hotline telephone line 024 (2) 701898.

By order of the Board
